SolidQ Australia is part of Solid Quality Mentors, the leading provider of mentoring, consulting and advanced training for the entire Microsoft Data Platform. Our 100+ technical team includes more than 50 Microsoft SQL Server MVPs. The next time you read a Microsoft SQL Server whitepaper, chances are high that one or more of our mentors will have been involved in writing it. Our organisation has a depth of knowledge on the SQL Server platform that is unmatched in the industry outside of Microsoft itself.
